Hello Marian,  
Once again, I want to let you know I have not forgotten about your request.  
I understand if you are frustrated that you still do not have any numbers. I hope to have the 2005 surveys completed by April. There have been complications, both man & machine. As soon as we input all the new surveys, I will revisit the 1995 surveys.  
I do apologize & appreciate your patience,

Lynette
